#### INDEPENDENT AUDITORS' REPORT

Board of Directors The Frances and Henry Riecken Foundation, Inc. Princeton, New Jersey

We have audited the accompanying combined financial statements of The Frances and Henry Riecken Foundation, Inc. (the Foundation), a nonprofit organization, which comprise the combined Statements of Financial Position as of December 31, 2020 and 2019 and the related combined Statements of Activities, Functional Expenses, and Cash Flows for the years then ended, and the related notes to the combined financial statements.

# Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these combined financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

# **Opinion**

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of The Frances and Henry Riecken Foundation, Inc. as of December 31, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Respectfully submitted,

Insero & Co. CPAs, LLP Certified Public Accountants

# NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

# **Note 1** Summary of Significant Accounting Policies

# **Description of Organization**

The Frances and Henry Riecken Foundation, Inc. (the Foundation), a nonprofit organization, was incorporated in Washington, District of Columbia to operate the Riecken Community Libraries (the Libraries) in Honduras and Guatemala, Central America. The Libraries' goals are to promote civil engagement and prosperity in Central America through social and educational institutions that awaken a spirit of discovery and participation, as well as to improve the lives of poor and unprivileged people, and those living in remote and/or disadvantaged areas worldwide, through charitable and educational activities.

The Foundation maintains its operations in the United States of America. The majority of the Foundation's net assets, other than U.S. bank accounts, are located in Honduras and Guatemala.

#### **Basis of Accounting**

The Foundation's policy is to prepare its financial statements on the accrual basis of accounting. Revenues are recognized in the period in which they are earned. Expenses are recognized in the period in which the related liability is incurred.

### **Basis of Presentation**

The financial statements of the Foundation have been prepared in accordance with U.S. generally accepted accounting principles (U.S. GAAP), which require the Foundation to report information regarding its financial position and activities according to the following net asset classifications:

### • Net Assets Without Donor Restrictions

Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Foundation. These net assets may be used at the discretion of the Foundation's management and the Board of Directors.

#### Net Assets With Donor Restrictions

Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Foundation or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. Donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the Statements of Activities.

### **Combined Financial Statements**

The financial statements include the accounts of the Foundation's United States, Honduras, and Guatemala branches. All significant interbranch transactions and accounts are eliminated.

# NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

# **Note 1** Summary of Significant Accounting Policies - Continued

# **Cash and Cash Equivalents**

Cash and cash equivalents consist of funds on deposit with banks, money market funds, and time deposits with an original maturity of three months or less. Some cash accounts located in Honduras and Guatemala are kept in their local currency.

#### **Grants and Contributions**

Grants and contributions, including unconditional promises to give, are reported as revenues in the period received. Conditional promises to give are not recognized until the conditions on which they depend are substantially met. Contributions of cash or other assets that must be used to acquire long-lived assets are reported as net assets with donor restrictions until the assets are acquired and placed in service. Contributions of assets other than cash are recorded at their estimated fair value at date of donation.

# **Foreign Currency Translation**

The accounting records of the Libraries are maintained in Honduras' Lempira and Guatemala's Quetzals. Monetary assets and liabilities are translated to U.S. dollars at periodend exchange rates and non-monetary items are translated at historical rates. Revenue and expense accounts are translated at average rates in effect during the period, except for depreciation, which is translated at historical rates. Gains and losses from changes in exchange rates are recognized in the Statements of Activities.

# Property, Plant, and Equipment

The Foundation capitalizes all property and equipment with useful lives greater than one year. Property, plant, and equipment are stated at cost, and depreciation is computed on a straight-line basis over the estimated useful lives of the assets. The percentage of depreciation is as follows:

Furniture and Fittings	20%
Hardware	33%
Office Equipment	20%
Vehicles	20%

#### **Use of Estimates**

Preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and judgments affecting the reported amounts of assets and liabilities and disclosures of contingencies at the date of the financial statements and revenue and expenses recognized during the reporting period. Accordingly, actual results could differ from those estimates.

# **Note 1** Summary of Significant Accounting Policies - Continued

### **Natural and Functional Expenses**

ASU No. 2016-14 requires the Foundation to provide an analysis of expenses by both natural and functional classification. Natural expenses are defined by their nature, such as salaries, rent, and supplies. Functional expenses are classified by the type of activity for which expenses were incurred; program, administration, or fundraising. Management has analyzed the direct expenses and categorized them according to their functional use. Expenses incurred for multiple functions have been allocated based on reasonable estimates of time and effort.

#### **Income Tax Status**

The Frances and Henry Riecken Foundation, Inc. is recognized as a private foundation by the Internal Revenue Service under §507(b)(1)(B). In 2012, the Foundation filed to terminate its private foundation status under §507(b)(1)(B) and be treated as a public charity described in §509(a)(1) and §170(b)(1)(A)(vi) of the Internal Revenue Code. In 2017, the Foundation was officially reclassified by the Internal Revenue Service as a public charity, following the end of the 60-month advance ruling period. Consequently, the Foundation is not subject to United States income tax under §501(a) of the Internal Revenue Code. The activities of the Libraries are subject to income tax in Honduras and Guatemala.

# **Evaluation of Subsequent Events**

Management has evaluated subsequent events and transactions for potential recognition and disclosure in the financial statements through August 16, 2021, the date on which the financial statements were available to be issued.

# **Note 2** Liquidity and Availability of Funds

The Foundation's financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, are as follows:

	2020	2019
Financial Assets at Year End		
Cash and Equivalents	\$ 111,262	\$ 126,854
<b>Total Financial Assets</b>	111,262	126,854

<b>Total Amounts Unavailable Within One Year</b>	13,002	24,306
Total Financial Assets Available to Meet General Expenditures Within One Year	\$ 98,260	\$ 102.548

The Foundation manages its financial assets to be available as its operating expenditures, liabilities, and other obligations come due.

Depreciation expense charged to operations was \$4,328 and \$6,357 for the years ended December 31, 2020 and 2019, respectively.

# Note 4 Concentration of Credit and Foreign Currency Risks

Credit risk arises mostly from operating transactions. In an effort to achieve liquidity and avoid the risk of currency exchange rate fluctuations, the Foundation keeps minimum reserves in USD. The cash and cash equivalents in Lempira and Quetzals are deposited in interest-bearing bank accounts in stable bank institutions.

# NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

### **Note 5** Net Assets with Donor Restrictions

Net Assets with Donor Restrictions of the Foundation consisted of the following at December 31,:

	2020		2019		
<b>Donations to be Executed - Honduras</b>			,

Net assets released from restrictions totaled \$11,357 and \$10,158 for the years ended December 31, 2020 and 2019, respectively.

# **Note 6** Economic Uncertainty - COVID-19

In March 2020, the coronavirus outbreak was declared to be a pandemic. Actions taken around the world to help mitigate the spread of COVID-19 include restrictions on travel, quarantines in certain areas, and forced closures for certain types of public places and businesses. This coronavirus and actions taken to mitigate it have had and are expected to continue to have an adverse impact on the economies and financial markets of many countries, including the geographical area in which the Foundation operates. Although there is still uncertainty regarding what effect if any this will have, the Foundation feels that it will be able to maintain operations in a fiscally sound manner.
